03

About Us

SAFE ROADS.
RELIABLE CREWS.
EVERY PROJECT.

Focus Traffic Management provides professional traffic management solutions across New South Wales, supporting construction, civil, infrastructure, utilities, commercial and government projects.

We work closely with our clients to develop practical, compliant and safe traffic management solutions that keep people, projects and communities moving.

From planning to on-site execution, we are committed to delivering reliable service, clear communication and safety-focused outcomes on every project.

PEOPLE

PLANS
That Work

SAFER ROADS
For Everyone.

04

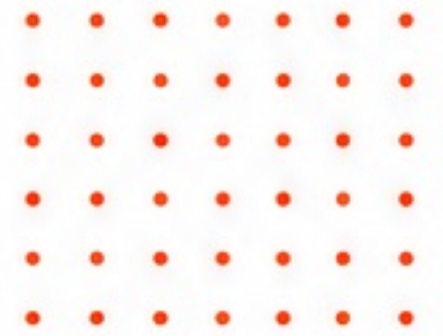

Our Mission

SAFER ROADS. STRONGER COMMUNITIES.

01

Deliver Customised Solutions

We create tailored traffic management plans that meet client-specific needs for efficient and safe project execution.

02

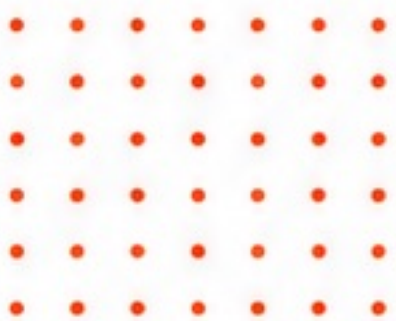

Enhance Safety and Flow

Ensure smooth traffic flow and prioritise safety throughout every project stage for clients and the community.

03

Exceed Client Expectations

Provide high-quality, professional service that consistently surpasses client expectations, establishing trust and leadership in traffic management.

05

Our Services

COMPREHENSIVE TRAFFIC MANAGEMENT SOLUTIONS

DIFFERENT PROJECTS.
THE SAME COMMITMENT.

No matter the industry, our focus remains the same – keeping people safe, projects moving and communities connected.

07

Our Team

EXPERIENCED PEOPLE.
SAFER OUTCOMES.

Our team is made up of qualified, experienced and safety-focused professionals who are passionate about keeping people safe and projects moving.

From our traffic controllers on the ground to our planners and operations support team, we work together with a shared commitment to safety, compliance and exceptional service.

QUALIFIED PROFESSIONALS

All team members are accredited, trained and experienced in traffic management and workplace safety.

SAFETY FOCUSED

We prioritise the safety of our people, clients and the community on every project.

COLLABORATIVE APPROACH

Our team works closely with clients, stakeholders and authorities to deliver the best outcomes.

CONTINUOUS IMPROVEMENT

We invest in training, technology and systems to ensure our team stays ahead and industry-ready.

A TEAM THAT
KEEPS **NSW MOVING.**

Our people are the foundation of our success, and their dedication, professionalism and expertise drive everything we do.

08

Accreditations & Compliance

MEETING STANDARDS.
DELIVERING CONFIDENCE.

We operate in full compliance with all relevant legislation, standards and industry requirements, ensuring our clients receive a safe, reliable and professional traffic management service.

**SafeWork NSW
Compliant**

Work health and safety obligations met.

**Public Liability Insurance**

Comprehensive cover for your peace of mind.

**TfNSW Standards**

Operate in accordance with TfNSW requirements and guidelines.

**Environmental
Responsibility**

We strive to minimise environmental impact on every project.

**Qualified & Accredited
Personnel**

All traffic controllers are accredited, trained and inducted.

**Legislative Compliance**

Adherence to all relevant local, state and federal legislation.

**Compliant Equipment**

All signage, plant and equipment meet Australian Standards.

**Ongoing Training**

Continuous development to maintain the highest standards.

COMPLIANT TODAY.
SAFER TOMORROW.

Our commitment to compliance ensures safer workplaces, stronger communities and successful project outcomes.
